PRELIMINARY STATISTICS FOR GENERAL REGISTRATION OF VOTERS: 03 – 29 JUNE 2024

The Commission is pleased to inform stakeholders and members of the public that since the commencement of the General Registration of Voters (GRV) on 03 June – 29 June 2024, a cumulative total number of **676,390** eligible Namibians registered as voters inside the country and at all Namibian Diplomatic Missions abroad. This figure represents an average of 23,515 registered voters per day during 24 - 29 June 2024.

The Bar Graph below indicates the number of registered voters per region:

While acknowledging with appreciation all eligible Namibian citizens who have registered as voters since the first day of registration of voters to date, the Commission noted with great concern a considerable decline in the turnout during the week of 24-29 June 2024. The Commission is therefore urging all eligible Namibian citizens who have not yet registered to do so as soon as possible as there will be no window to extend the registration dates. The GRV continues across the country and at all Namibian Diplomatic Missions abroad until 01 August 2024, Monday to Saturday from 08:00 to 19:00.
